

## THE GREENING OF INDUSTRY NETWORK - Sponsors

---

*To carry out its mission and activities, the Greening of Industry Network relies on the work of volunteers, conference and membership fees, and on grants, gifts, and in-kind contributions from agencies, foundations, corporations, individuals, and universities. We are grateful for the time, expertise, and personal commitment of many Network volunteers and members, and we extend thanks to the following sponsors for their support of the Network since 1991.*

---
